Benefits of Membership

Membership in the Lancaster Safety Council provides many benefits. Your professional growth and development are enhanced by regular contact with peers in the safety profession.

Each month the LSC has a lunch meeting that offers the opportunity to get to know and learn from other safety personnel in the Lancaster County area. The monthly meetings also provide a chance to listen to an expert speaker on a variety of safety related topics.

You will be able to interact with many of the safety leaders in the Lancaster area. Discussion at the lunch can be informative and educational. The meetings offer the opportunity to learn from your peers and pass along knowledge you have gained. Members have developed contacts and friends in the safety field by participating in LSC activities.

Our inexpensive dues make membership an excellent value and affordable by even the smallest organization or individual. To start enjoying the benefits of LSC membership complete the attached application today.

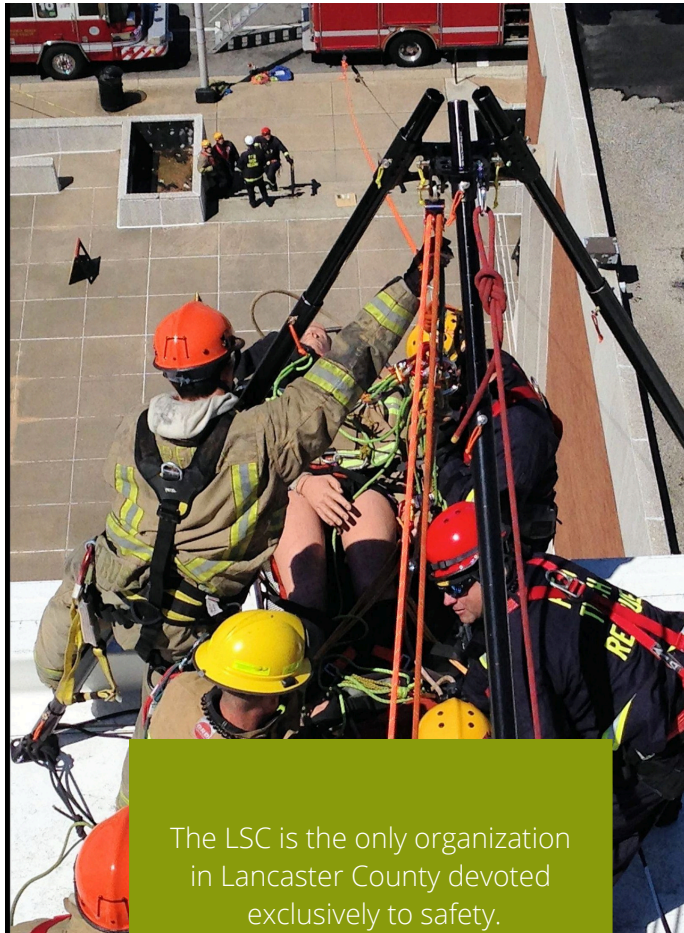

For additional information, call:
